

Operation Thanksgiving Card

Our congregation is invited to join "Operation Thanksgiving Card," initiated by ELCA Global Mission Support. Participants (individuals, families, committees, groups, classes) are invited to make at least three cards:

A turkey pattern is always close at hand.

- One card to be brought to the congregation for distribution to service personnel connected to the congregation and community, for example, members of the military and our sponsored ELCA missionaries.
- Another card should be brought to the congregation to "sell" as a fundraiser for ELCA Missionary Sponsorship.
- The third card is for personal use. Send someone special an "I'm thankful for you" card.

If the spirit moves you, make a fourth card to be sent to an ELCA missionary. Thanksgiving time can be a low point for missionaries, especially during the first year of service. Global Mission Support will gather these cards and distribute them equally among the missionaries, beginning with our 88 new missionaries. Send to "Operation Thanksgiving Card," ELCA Global Mission Support, 8765 W. Higgins Road, Chicago, IL 60631.
