- **Step forward as a public church** that witnesses boldly to God's love for all that God has created;

These strategic directions are offered with profound gratitude for the outpouring of gifts the Holy Spirit gives to members of the Evangelical Lutheran Church in America.

In the course of implementing each of these strategic directions, the churchwide organization must and will:

1. Encourage, welcome, and depend upon the lively and creative exchange of resources and ideas throughout the Evangelical Lutheran Church in America;
2. Recognize and encourage the vital contributions and deepening relationships with institutions and agencies of this church and with Lutheran, ecumenical and interfaith partners;
3. Confront the scandalous realities of racial, ethnic, cultural, religious, age, gender, familial, sexual, physical, personal and class barriers that often manifest themselves in exclusion, poverty, hunger and violence; and
4. Pursue ardently the ELCA's commitment to becoming more diverse, multicultural and multi-generational in an ever-changing and increasingly pluralistic context, with special focus on full inclusion in this church of youth, young adults and people of color and people whose primary language is other than English.
